Schools

PROGRESSIVE SPORTS uses the best teaching methods from around the globe to develop skills in dribbling, passing, shooting, turning, control and heading as well as learning to apply their skills in 1v1's, 2v2's, 3v3's and small sided games.

The formative years of any footballer's life are crucial to their make-up – **PROGRESSIVE SPORTS** looks to provide an innovative and truly unique environment where children have the freedom to unlock and nurture their talent.
